ANTON BAUER

30 hectares (75 acres)
Wine Region Wagram: The Wagram, a 25-mile long and 100 foot high ridge between the towns of Krems and Tulln consists of thousands of years old gravel sediments of the ancient Danube River.
Soil and Climate: Clay soils and loess soils predominate with occasional granite formations. These very thick layers of soil give the advantage for vines to develop deep roots, penetrate the ground intensely, thus being protected against dryness on one hand and being able to reach the minerals and sediments on the other hand. The west-east expansion of the Wagram results in the fact that the vineyards are oriented towards the south and thus can stretch out towards the sun. Yet, this west-east expansion running parallel with the Danube has further advantages. From the east, the mild Pannonian climate follows the Danube upstream while from the west and northwest cool air from the Waldviertel flows into the Danube Valley. It is exactly this interplay between warm and cool that makes the wines rich in finesse, multi-layered, and ensures an interesting combination of fruit and acidity.
Production: The physiologically ripe grapes are harvested by hand and handled as gentle as possible. When grapes come in from the vineyards they are hand-selected on a sorter belt. A long period of extensive contact with the yeast makes the wines harmonious, ensuring that there is a quality balance between acidity and alcohol. As the wines are bottled relatively late they can mature slowly. This is exactly part of Anton Bauer's philosophy: Things need time to develop, and wine needs time as well.

Rose Zweigelt/Merlot/Syrah 2015 (Alc.12%, RS 2,3g, AC 5,5g)

Clear, light pink with a stimulating fragrant floral and berry nose. The wine has an elegant structure. It is round and soft on the palate with a clean, crisp and dry finish. A marvelous patio wine for long summer evenings searching for an invitation to dinner.

Wagram Grüner Veltliner 2015 (Alc.12%, RS 3,3g, AC 6,1g)

A crisp, lively Grüner Veltliner with ripe apple & pear fruit, balanced with fresh acidity and a touch of spice and citrus on the dry lingering finish. A delicious aperitif or enjoy with firm cheeses, charcuterie, and simple fish or chicken dishes. Excellent quality and value from the Wagram

Berg Riesling 2014 (Alc.12,5%, RS 5,2g, AC 7,9g)

Light, soft yellow in color. On the nose it exhibits white peaches with a hint of exotic spices and minerally undertone. A wonderfully transparent play of fruit on the palate ending in a long dry finish. An all-purpose food wine especially good with spicy cuisine.

Roter Veltliner 2014 (Alc.12%, RS 8,3g, AC 7,4g)

Medium green-yellow. Inviting notes of pineapple and carambola laced with blossom honey comprise a subtle and multifaceted bouquet. Elegantly concentrated with pleasant fruit sweetness balanced by vibrant acidity. Pineapple, apricot and minerals.

Gmörk Grüner Veltliner 2015 (Alc.12%, RS 5,2g, AC 4,9g)

This is what a good GV should taste like. Aromatic on the nose, a beautiful play of perfume, tropical fruit and acidity. All the aromas follow through on the palate and then the wine has a dry clean finish with a touch of the white pepper. There is no other single vineyard Grüner on the market that can beat this taste and price – best value!!! This is a great wine for vegetarian dishes and with any seafood.

Rosenberg Grüner Veltliner 2015 (Alc.12,5%, RS 2,3g, AC 5,3g)

Beaming yellow with straw-gold reflexes; in the nose fine apple tones. Pear, quince, aroma of dried fruits with an exotic hint, exhibits pleasant spice; on the palate nutty-spicy-peppery, piquant fruit acid, juicy and stimulating; elegant, lively finish.

Spiegel Grüner Veltliner 2015 (Alc.13%, RS 4,2g, AC 6,2g)

The Spiegel vineyard has besides loess also gravel and river rock deposits from the old Danube river when it was wild and forming the Wagram. This gives this wine yellow pear flavors, stone fruit, a light pineapple and mango tropical fruit touch, great structure and a very long well balanced finish. The delicate creamy texture and lively but pleasant acidity making it a pure joy to drink. Wonderful now, but also great aging potential.

Grande Reserve Grüner Veltliner 2014 Falstaff 95pts (Alc.13,5%, RS 4,6g, AC 5,3g)

Intensive gold, shining and brilliant. On the nose roasted, spicy and honey notes with aromas of dried fruit. On the palate is intensive interplay of dried and tropical fruit, great balance between extract fruit and acidity, round, full of power from very ripe fruit, November harvest!

Zweigelt 2013 (Alc.13,5%, RS 1,0g, AC 5,2g)

This is a traditional Austrian grape variety. A very elegant wine, harmonious, filled with ripe black cherry and subtle mocha notes. The palate features ripe deep fruit with a gentle smooth medium-bodied mouth feel. The finish is long and has slightly spicy peppery nuances. Austrian reds feature amazingly pure fruit flavors – have this Zweigelt with your next barbeque or at your next party!

Wagram Cuvee 2013 (Alc.13%, RS 1,0g, AC 5,2g)

Cherry fruit with amaretto tones, red berries and herbs. On the palate cherry fruit again, with dark berry aromas and a pleasant background of herbs, good extract fruit, fine soft tannin. It finishes with a dry elegance and delicately herb tones of chocolate and cherries. Although absolutely delicious on its own, it will complement beef, duck, grilled pork, tuna and rich red sauces.

Wagram Reserve 2013 Wine Enthusiast 91pts (Alc.14%, RS 1,0g, AC 4,9g)

The best barrels of Anton Bauer's wines are blended every year to make this full-bodied velvety smooth wine exuding hints of black pepper, rich red berries and spices. It shows the terroir beautifully, a simply amazing effort for an Austrian red.

Wagram Pinot Noir 2014 (Alc.13,5%, RS 1,0g, AC 5,2g)

This Pinot Noir shows a precise balance between the fruit and acidity that makes it fresh and lively. It has a typical Pinot Noir nose with strawberries, raspberries and floral notes such as violets. On the palate the wine is well balanced, elegant and it has a long finish tasting of red berries. An all-purpose red, easy to drink and it pairs with many different dishes from fish and vegetables to lighter meat dishes and spicy food.

Reserve Pinot Noir 2013 Wine Enthusiast 94pts (Alc.14%, RS 1,0g, AC 4,9g)

A great Pinot Noir with intense notes of herbs and puréed dark berries on the nose. The wine has a typical Burgundy structure with lively soft tannins, a juicy ripeness and an elegant, long finish. This wine will age very well – great to drink now, but with a long future ahead.

Blaufränkisch 2012 Falstaff 92 -94pts (Alc.14%, RS 1,0g, AC 5,0g)

Dark ruby with nearly opaque core, violet highlights and a thin, transparent rim. Dark berry fruit, black berry jam and dark minerals. A juicy, sweetly extracted core is elegantly wrapped in a harmonious veil of fine-grained tannin. The long finish features dark fruit and notes of ginduja. Dependable potential for further development and ageing.

Sparkling wine „Vintage“ ROSÉ Brut 2012 (Alc.12,5%, RS 6,0g, AC 6,5g)

This wine has a bright rose petal color, clear and consistent. Reminiscent of ripe grape clusters, with delicate hints of red fruits on the nose, supported by notes of ripe tropical fruits. Roasted nuts and yeast flavors on the palate create a bold and finely structured, energizing and youthful wine with great potential.

For dinner we will have:

- For starts: Rosenberg Alte Rebe 2014 from the 1,5L Bottle
- For main course: Wagram Reserve 2013 from the 1,5L Bottle
- Blaufränkisch 2012 artist series
