

# ANTON BAUER

## Rosé 2022

### Zweigelt – Merlot – Syrah

*vineyard name:* Ortsried/ Feuersbrunn

*grape:* Zweigelt, Merlot, Syrah

*elevation:* 721 feet

*exposure:* flat area; around the village  
of Feuersbrunn

*average age of vines:* 25 – 30 years

*farming practice:* sustainable farming

#### *the vineyard:*

“The vineyards are flatter and receive less direct sunlight, so they are somewhat cooler. The wines display more minerality and are noticeably more acidic, which stays in the foreground not through sheer force, but rather through its finesse and spicy flavors.”

*wine production:* hand harvest, grape and single berry selection, fermented and aged on the yeast in stainless steel.

*alcoholic content:* 12.5% by vol.

*total acidity:* 6.3 g

*residual sugar:* 1.9 g

*potential:* 2023-2025

*tasting notes:* Clear, intensive pink color. A stimulating fragrant nose - floral and berry aromas; clear, elegant structure; refreshing on the palate through its juicy acidity. Well chilled it's a marvelous patio wine for long summer evenings.

*food pairing:* This is a great wine for pasta dishes or shellfish, any dishes with white poultry, and salads with tomatoes and eggplants.

*Ideal temperature to drink:* 45 - 50°F

## Winery Anton Bauer

Neuanfang 42. 3483 Feuersbrunn. Austria
