### Paul D Frizzante Rosé Sparkling Zweigelt rosé

**Color:** bright salmon-orange **Nose:** citrus notes, pasture grasses, blackberry

**Taste:** fresh, good fruit, balanced acidity combined with wild berries

**Frizzante** describe the level of effervescence (i.e. the strength of the bubbles) in a bottle of sparkling wine. Wines labeled 'frizzante' are what we call gently sparkling. Frizzante wines have between 2.5 and 3.5 bars of atmosphere/pressure while Spumante, most Prosecco's and Champagne are usually between 5 and 6 bars. Frizzante wines are known as 'Perlant' in French and as 'Perlwein' in German. Prosecco is probably the most well-known frizzante wine style, but most Prosecco wines usually are made fully sparkling (spumante)
