Falstaff Grüner Grand Prix winner

Winery Ruttenstock Main street 21 A-3743 Röschitz Lower Austria

A well-earned victory in the most important category: **Grüner Veltliner**

Mathias Ruttenstock, 4th generation winemaker in Röschitz in the Weinviertel region of Austria. He has been in charge of the winery since 2011, following the footsteps of his father, grandfather and great grandfather. Mathias gained his experience by working with Anton Bauer in the Wagram and through internships at Roman Pfaffl and Julius Klein. Falstaff Magazine awarded his Grüner Veltliner DAC Classic 2016 the prestigious Grüner Veltliner Grand Prix 2017 prize. The vineyard is small, with only 42 acres and a total production of 80,000 bottles. The vast Weinviertel stretches from the Danube valley in the south to the Czech border in the north, and from the Manhartsberg in the west to the border of Slovakia in the east. The Weinviertel is mostly known for Grüner Veltliner and the first DAC in Austria. If the label reads **Weinviertel DAC** it is always **100% Grüner Veltliner**. A highlight of the western part of Weinviertel is the area around the historic wine-trading town of Retz, with its labyrinth of underground wine cellars.
