### *the vineyard*

It's located next to the winery on the way to the village Illmitz and therefore it is called Illmitzerweg. In our family it's named "Moms Vineyard" because the mom of the house Rosa Steindorfer loves it so much and it's her favourite vineyard. This vineyard with its moist black earth and several layers of sandy loam provides the perfect conditions for our Apetlon Rouge. Furthermore it is located in the sunniest area of Austria. Therefore it produces fully ripe grapes, soft tannins and an intense aromatic.

### *wine production*

harvest time: 23th September 2018

hand-harvested, grape and single berry selection, fermentation in temperature controlled stainless steel tanks at about 30 °C, spent 10 days on the skins before pressing, aged afterwards on the yeast for 17 months in used barriques

*alcoholic content:* 13.5 % by vol

*total acidity:* 4.9 g/l

*residual sugar:* 1.3 g/l

*potential:* 2020 – 2025+

### *tasting notes*

The bouquet is a lovely mix of red berry fruit and black pepper spice. The wine has a good acidity and elegance on the palate.

A very nice medium-bodied red for every day drinking.

all kind of meat-dishes, grilled, roasted or with a sauce
