

WEINGUT STEININGER

Cabernet Sauvignon Rosé 2021

Grape variety: 100% Cabernet Sauvignon Rosé

Vineyard: „Graedl“ - Langenlois - 225m

Soil: loess and clay

Age of vines: 6 - 12 years

Harvest: harvest by hand, beginning of October

Vilification: Our Rosé philosophy is using ripe grapes only to reach out more character of the grape and obviously the wine. The grapes are gently squeezed and after 12 hours skin contact they get slightly pressed.

Alc: 12,5 vol.%

Acidity: 7‰ /l

Residual Sugar: 4.4 g/l

Potential: 2022 –2024

wine info: pale rosé color, a mix of gooseberry & raspberry in the nose, a hint of spiciness with paprika and black currant. The taste is fresh and perfectly balanced between acidity & residual sugar. It shows its smooth character on the palate.

food pairings: Ideal for a sunny day on the terrace. Fits perfect to light or vegetarian dishes, like a collection of roots with fresh cheese as well as salmon or similar cold starters.

Vegan Wine
