

## CABERNET SAUVIGNON ROSÉ SEKT 2015

Langenlois /Kamptal/Austria

Pale rosé reminding on salmon, animating fruit, like gooseberry and cassis, subtle wine with nice structure: medium bodied and elegant. An aromatic and refreshing sparkling wine which spreads out vitality and charm.

### Vinifikation:

After the second fermentation the sparkling wine ages for around 18 months on the yeast. Our goal is to underline the varietal character.

The grapes are harvested in the middle of October with best physiological ripeness. Hand-harvesting makes sure that only healthy grapes come into the cellar.

**Serving Suggestion:** Perfect for a warm summer evening with friends!
