

RIESLING

Koglberg Kamptal DAC Reserve 2016

Langenlois /Kamptal/Austria

Yellow-green with silver reflexes fine bouquet, dark minerality with spiciness, fresh tropical fruit and peach, full-bodied wine with strong personality, with finesse and complexity

Vineyard & Vinifikation

The single vineyard is located on the high plateau of the Koglberg. The soil is deserved weathered gneiss and slate with a small humus layer. The vinification is in neutral 500 liter oak barrels. We don't want to influence the character of the Riesling so we disassemble the barrel after the toasting again to shape the oak again.

Serving Suggestion: white meat, scallop, lobster, craw fish,
