WEINGUT MITTELBACH · WACHAU - AUSTRIA

## THE NAME IS FROM GERMANY (BAVARIA), THE WINE FROM WACHAU

The historical roots of Tegernseerhof go back over 1000 years. Holy Roman Emperor Henry II granted the Benedictine monastery of Tegernsee two oxgangs of land in Wachau. In 1176, Tegernseerhof was built and named after its owner.

Today, Tegernseerhof is owned by the Mittelbach family. The winery has been in their possession for five generations. The name has been preserved, like the ancient knowledge of viticulture, passed on from one generation to the next. The Tegernseerhof vineyards are located on the best slopes of the Wachau region. They are characterized by steep terraces of primary rock, with optimal exposure to sun and wind.

## 2015 WEISSENKIRCHNER ZWERITHALER SMARAGD®

### CHARACTERISTICS:

“Zwerithaler” means „between the valleys “. This is a small spot in the market town of Weißenkirchen, dominated by a massive rock in the middle of the vineyard. It is authentic field blend or mixed set. A multitude of grapes grow in the picturesque garden, ancient kinds, some of them are not known anymore. It is hardly surprising that the Tegernseerhof Zwerithaler displays a different character every year – it has a new and different blend of aromas. It is impossible to say which nuances will be foremost, which tastes in the finish.

One thing is sure: the wine’s elegant texture, its expression on the palate, its fine acidity - this is what gives the wine its enormous potential to mature.
