

TEGERNSEERHOF

WEINGUT MITTELBACH · WACHAU - AUSTRIA

THE NAME IS FROM GERMANY (BAVARIA), THE WINE FROM WACHAU

The historical roots of Tegernseerhof go back over 1000 years. Holy Roman Emperor Henry II granted the Benedictine monastery of Tegernsee two oxgangs of land in Wachau. In 1176, Tegernseerhof was built and named after its owner.

Today, Tegernseerhof is owned by the Mittelbach family. The winery has been in their possession for five generations. The name has been preserved, like the ancient knowledge of viticulture, passed on from one generation to the next. The Tegernseerhof vineyards are located on the best slopes of the Wachau region. They are characterized by steep terraces of primary rock, with optimal exposure to sun and wind.

2015 GRÜNER VELTLINER HÖHERECK SMARAGD®

CHARACTERISTICS:

The Höhereck vineyard, just half a hectare in size, lies on a beautiful South Eastern slope right in the heart of the rocky high land. It was laid out by hand sixty years ago, using our own selections of Grüner Veltliner grapes. The steep terraces of Höhereck end in the Mentalgraben, carved deep into the rough stone ground.

Cold air from the Waldviertel flows through here towards the Danube River. Its unique location lends the Smaragd Höhereck its mineral aroma and wild, smoky character. The blend of grapes, soil and climate creates a full-bodied, well-balanced and sophisticated Grüner Veltliner.

MY NOTES:

Our Estate is a member of the Vinea Wachau, therefore the vinification follows the strict regulations of the "Codex Wachau".
