

TEGERNSEERHOF

WEINGUT MITTELBACH · WACHAU - AUSTRIA

THE NAME IS FROM GERMANY (BAVARIA), THE WINE FROM WACHAU

The historical roots of Tegernseerhof go back over 1000 years. Holy Roman Emperor Henry II granted the Benedictine monastery of Tegernsee two oxgangs of land in Wachau. In 1176, Tegernseerhof was built and named after its owner.

Today, Tegernseerhof is owned by the Mittelbach family. The winery has been in their possession for five generations. The name has been preserved, like the ancient knowledge of viticulture, passed on from one generation to the next. The Tegernseerhof vineyards are located on the best slopes of the Wachau region. They are characterized by steep terraces of primary rock, with optimal exposure to sun and wind.

2015 GRÜNER VELTLINER LOIBENBERG SMARAGD®

CHARACTERISTICS:

Loibenberg is the second monumental site in the eastern Wachau. The 25 hectares of vines on this mountain are exposed to a Pannonian climate that leaves its signature on the wines of these vineyards. Despite this, the warmth is moderated by vast differences in altitude. 200 vertical metres separate the Danube and the border of the forest at 420 metres. The steep terraces of Gfoehler gneiss and loess combine with the climate guarantee a large versatility in wine styles.

Loibenberg faces directly south and marks the entrance to the Wachau Gorge. Fuller bodied Smaragd® wines are generally sourced from the lower terraces and are harvested slightly early than much of the rest of the Wachau. Primary rock with loess deposits comprises the vineyard soil. Grüner Veltliner a in their best expression is sourced here.

MY NOTES:

Our Estate is a member of the Vinea Wachau, therefore the vinification follows the strict regulations of the "Codex Wachau".
