

TEGERNSEERHOF

WEINGUT MITTELBACH · WACHAU - AUSTRIA

THE NAME IS FROM GERMANY (BAVARIA), THE WINE FROM WACHAU

The historical roots of Tegernseerhof go back over 1000 years. Holy Roman Emperor Henry II granted the Benedictine monastery of Tegernsee two oxgangs of land in Wachau. In 1176, Tegernseerhof was built and named after its owner.

Today, Tegernseerhof is owned by the Mittelbach family. The winery has been in their possession for five generations. The name has been preserved, like the ancient knowledge of viticulture, passed on from one generation to the next. The Tegernseerhof vineyards are located on the best slopes of the Wachau region. They are characterized by steep terraces of primary rock, with optimal exposure to sun and wind.

2015 GRÜNER VELTLINER SCHÜTT SMARAGD®

CHARACTERISTICS:

The Schütt site in the west is an alluvial fan of a mountain torrent. Five hectares of Riesling and Grüner Veltliner vines are rooted in rubble eroded from weathered primary rock.

The vibrant style of our Grüner Veltliner Smaragd is derived not only from its geological foundation, but also the influence of cool winds that sweep down through the Mental Gorge from the Loibenberg bringing decisive cooling particularly in the night. This mineral and longevity Grüner Veltliner Smaragd is paired with ease, which underlies the uniqueness of this outstanding cu.

MY NOTES:

Our Estate is a member of the Vinea Wachau, therefore the vinification follows the strict regulations of the "Codex Wachau".
