WEINGUT MITTELBACH · WACHAU - AUSTRIA

## THE NAME IS FROM GERMANY (BAVARIA), THE WINE FROM WACHAU

The historical roots of Tegernseerhof go back over 1000 years. Holy Roman Emperor Henry II granted the Benedictine monastery of Tegernsee two oxgangs of land in Wachau. In 1176, Tegernseerhof was built and named after its owner.

Today, Tegernseerhof is owned by the Mittelbach family. The winery has been in their possession for five generations. The name has been preserved, like the ancient knowledge of viticulture, passed on from one generation to the next. The Tegernseerhof vineyards are located on the best slopes of the Wachau region. They are characterized by steep terraces of primary rock, with optimal exposure to sun and wind.

## 2015 RIESLING STEINERTAL SMARAGD®

### CHARACTERISTICS:

The vineyards of Steinertal form a giant Amphitheatre cut into the solid rock. Facing South East and surrounded by massive rock formations, the vineyards offer themselves a spectacular view. At night, a cold North wind blows across the Steinertal vineyards. The terraces appear like stony tiers, symmetrically grown out of the rock itself, they are covered with a soft layer of sand – ideal conditions for vines.

A native of this environment, the Riesling Steinertal appears like a refined artist. It is characterized by a noble fragility and plays many different roles when consumed. At times tart and salty, at times reminiscent of peaches, each sip creates a new association.
