

WINE ENTHUSIAST**93**
POINTS**Tegernseerhof 2011
Bergdistel Smaragd Grüner
Veltliner (Wachau)**

Very mineral in character, this wine is named after a former priest of Dürnstein who renovated the village church. It is certainly ripe, while very textured and chalky in character, with its acidity whirling around the glass. There's great concentration as well, beautifully smoothed out by the spice and crisp apple balance. Screwcap. Artisanal Cellars, Select Wines.
