the vineyard

Prof. Adolf Distelberger (1930 - 2003) was responsible for the renovation of the collegiate church of Dürnstein. He was also the inspiration and godfather for this wine. Symbolic for the comprehensive Wachau Valley, the grapes for this wine grow in the most individual crus. According to a small book about the origin Tegernsee vineyards from 1427, the grapes were picked and co-fermented from these old vineyard sights – it is a dedication to the first days of the winery and its tradition.
