

Höhreck

Grüner Veltliner Smaragd® 2011

The age of vines, Gföhler Gneiss and a south-easterly exposure, facing directly into the Mentalgraben effects a fascinating combination. The Danube plays a major role as well. Because of its stream, it draws cold air from the Waldviertel plateau through the Mentalgraben and provides huge temperature differences which result in the enormous expression and tension of the wine's minerality.

Alcohol:	13,5 %
Vol.	
Acidity:	6,2 g/l
Sugar:	4,1 g/l

Höhereck

The Höhereck is in fact a nature reserve. The conservation of the dry grasslands is of inestimable importance for the habitat of rare plants, insects and breeding birds.

The vineyard crus on Höhereck is one of the smallest in the Wachau. Because of erosion, the soil-structure on Höhereck is very rocky, barren and very little in depth. These geological conditions, along with the man-made stone terraces that help facilitate cultivation - despite the steepness of the terrain - are typical of the Wachau landscape. In 1951, this vineyard was planted with our own selections of Grüner Veltliner.
